YOU ARE CHANGING LIVES

A LETTER FROM OUR EXECUTIVE DIRECTOR

ALISHA DAVIS

You've Changed Lives

You've made quite the difference in 2019! I am so thankful for the impact you're making in the lives of the kids we serve. So many of these children wouldn't have had a chance for a quality education without your support.

Through your generous support, you provide over 1,300 children access to a life-changing education. This past year 225 kids graduated high school with 98% moving on to colleges or technical training programs!

You've also changed families. Our team of home counselors have found the impact you're making on the homes include more consistent family meal times and better investment into children's health.

As we look forward to 2020, we know you'll be excited to learn we are launching a new scholarship program to help the children living in most difficult circumstances. With your help, we will continue to meet the educational needs of children!

Jennifer Struggled and You Were There!

Jennifer struggled to read what was on the screen. As a teenager, she was embarrassed to ask for help.

"I felt like I should know how to read by now, but I struggled when I was younger and no one helped me. Now, I didn't want people to know," Jennifer explained.

But then, someone like you stepped in and helped Jennifer.

You provided the help Jennifer needed. When HopeKids provided a tutor to Jennifer, she helped Jennifer learn to read and catch up in school.

"Now I can read and I'm so excited to tell you I got two As last semester!"

Your support has changed many lives like Jennifer's. Providing her with confidence and the skills she needs helped her excel in school!

Then, we **transform the teacher-student relationship**. Donec fringilla egestas turpis, vel aliquet ante consectetur id. Suspendisse porttitor fringilla sodales. Vestibulum rutrum euismod ligula, eget aliquet eros auctor a.

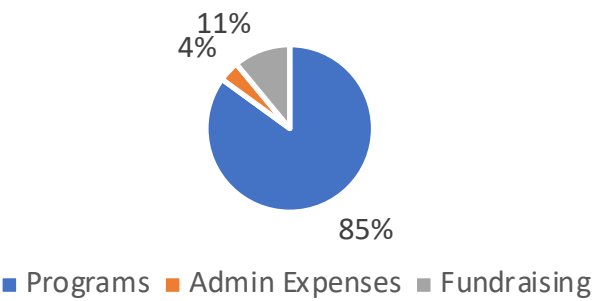

When we do these three steps, students' lives are changed. When students thrive, schools change.
